Dear [Redacted]

Thank you for your participation in the Secretarial/Clerical Management Advisory Group and for your service as co-chairman of the group. You should be proud of your participation in establishing the first annual Secretary of the Year Awards.

The Director and I hope you will remember your time on the MAG as having been an opportunity to learn as well as to contribute. The group's comments on secretarial and clerical issues are helpful to senior Agency officials. The awards program is proof that MAGs can make a difference in contributing new ideas to Agency management.

I encourage you to support the new MAG members and to continue your interest in making the Agency a better place for all employees.

Sincerely,

/s/ William J. Casey
